

Tangent Seed Lab Int'l Price List

Effective July 1, 2011

Kind of Seed	Purity
Alfalfa	\$35.00
Alkaligrass	\$47.00
Bentgrass	\$47.00
Bermudagrass	\$47.00
Bluegrass	\$47.00
Brassicac	\$50.00
Bromegrass	\$50.00
Cereals	\$35.00
Clovers	\$35.00
Fine fescue	\$44.00
Hard fescue	\$44.00
Tall fescue	\$37.00
Flowers, Herbs, & Trees	\$35.00
Meadowfoam	\$35.00
Natives	Hourly
Orchardgrass	\$47.00
Poa supina	\$55.00
Ryegrass	\$33.00
Sorghum	\$35.00
Sudangrass	\$35.00
Timothy	\$40.00
Trefoil	\$35.00
Vegetables	\$35.00
Vetch	\$35.00
Velvetgrass	\$47.00
Wheatgrass	\$50.00
Zoysia	\$40.00

- *Includes Ammonia Test.
- **Extra charges for samples requiring special preparation for germination. (i.e. Scarification)
- ***Some crop kinds require more grams than usual for tests like SOD Quality and Canada purities. For these kinds, the charge will be more.
- The purity includes all-states noxious weed exam. (Except HI and UGS.)
- You may receive a bill before a final certificate is sent depending on days needed to complete your test.

\$44.00	\$33.00
\$44.00	\$33.00
\$35.00	\$33.00

Purity mixtures will be charged for principal kind, plus ½ price for each additional kind. Full price for each additional kind for germination.

All of the above tests performed are for one hour of analyst work. Any test requiring additional time will be charged \$55.00 per hour; cleaning field run samples will also have a \$55.00 an hour charge. Viability tests are available for an hourly charge.

For a complete listing of species and testing available, please visit our website at: www.tangentseedlab.com

Special Testing Tetrazolium Tests**

Grasses & Grains	\$50.00
Vegetables/ Legumes/ Misc.	\$55.00
ISTA TZ on Grasses (400 Seeds)	\$100.00

Other Tests

Crop & Weed Examination	\$44.00
Bluegrass Crop & Weed (Per 25 grams)	\$93.00
Bentgrass C & W (Per 5 Grams)	\$93.00
Undesirable Grass Seed	\$44.00
UGS requested with purity	\$22.00
Noxious Weed Exam	\$35.00
Canada Exam*** in addition to purity	\$44.00
ISTA Exam *** in addition to purity	\$44.00
Sod Quality Exam***	\$46.00
Soil Exam	\$35.00
Ergot Exam	\$35.00
Pest & Disease Exam	\$35.00
Seed count	\$22.00
Moisture Test(Field Run)	\$28.00
Moisture Test (Production Sample)	\$45.00
Phenol Test	\$49.00
1200 Seed Ryegrass Germination (For Varietal Grow-out)	\$120.00
Endophyte Kit Test (100 seeds)	\$175.00
Endophyte Kit Test (100 tillers)	\$200.00
Ergot Alkaloid test	\$245.00
Fluorescence Test-Ryegrass (Must be requested with germination)	\$10.00
6 Wk. Ryegrass grow-out for endophyte or fluorescence (for annuality)	\$190.00
PVP Seed Measurements	
Ryegrass, Tall fescue, Fine fescue	\$25.00

Miscellaneous Charges

Mix separation charge for a germ only	
Two components	\$22.00
Three components	\$33.00
Four components	\$55.00
Rush Test (Add. Charge)	\$39.00
Treated seed (Add. Charge)	\$55.00
Hand planting (Add. Charge)	\$17.00
Coated seed (Add. Charge)	\$55.00
Vigor/ Cold Test (Add. Charge)	\$38.00
Report Revision	\$17.00
Process fee for samples outsourced from OSU (Add. Charge)	\$22.00
E/C Conversion	\$44.00
Processing fee for certificate to be faxed	\$15.00
Copy of Report	\$10.00
